

HAND DELIVERED

March 20, 2008

Marshall County Solid Waste Committee
3301 Courthouse Annex
Lewisburg, TN 37091

In accordance with TCA 68-211, Part 7, "Local Approval of Solid Waste Facilities," WM Middle Tennessee Environmental Center, L.L.C., respectfully requests approval of a new landfill site located at 3349 Pulaski Highway, Cornersville, TN, 37047 by the Marshall County Tennessee Board of County Commissioners.

WM Middle Tennessee Environmental Center, L.L.C., is requesting approval at the May 2008 meeting of the Marshall County Board of County Commissioners.

This request comes as a result of the Marshall County Solid Waste Committee's request to partner with Waste Management in the search for a potential Greenfield location at their committee meeting held December 11, 2007.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Tim Wells", written over a long horizontal line that extends to the left.

Tim Wells
Market Area Vice President
WM Middle Tennessee Environmental Center, L.L.C.
